British Council, 2018. 50 p. Aptis is an innovative global English assessment tool from the British Council. It is an English test for adults and young adults, which can be used to assess English language ability in all four skills – reading, writing, listening and speaking.

### **Lesson Plan - Wikipedia**

A lesson plan is a teacher's detailed description of the course of instruction or "learning trajectory" for a lesson. A daily lesson plan is developed by a teacher to guide class learning. Details will vary depending on the preference of the teacher, subject being covered, and the needs of the students. There may be requirements mandated by the school system regarding the plan.
