

world of malls architecture pdf

This is a complete list of the world's largest shopping malls based on their gross leasable area.

List of largest shopping malls - Wikipedia

The architecture of Montreal, Quebec, Canada is characterized by the juxtaposition of the old and the new and a wide variety of architectural styles, the legacy of two successive colonizations by the French, the British, and the close presence of modern architecture to the south. Much like Quebec City, the city of Montreal had fortifications, but they were destroyed between 1804 and 1817.
