When you're using an app day in and day out, it's easy to miss new features that get added. You get a notification for an update, you update the app, and you continue using it as you always have done. However, most WhatsApp updates include several new features. To get these new features, you ...

The Best New WhatsApp Features You Might Have Missed

Asking for help is the first important step. If you have a good relationship with your parents, you should start there. Ask them to read "What to Do If Your Teen or Young Adult Has a Problem with Drugs", which is similar to this page but written for parents. If you do not have a good relationship with your parents (or if they are having some problems of their own and might need help), find an ...

Unfortunately, recent releases of the Java Runtime Environment have made it impossible for Java applets (Java programs, such as Wordle, that run in your web browser) to access your computer's clipboard.

Wordle - Frequently Asked Questions

The pronoun you is the second-person personal pronoun, both singular and plural, and both nominative and oblique case in Modern English. The oblique (objective) form, you, functioned previously in the roles of both accusative and dative, as well as all instances following a preposition. The possessive forms of you are your (used before a noun) and yours (used in place of a noun).
