The Mind Your Business Podcast lands right in the sweet spot for me - done by people with plenty of left-brain success and experience who aren't afraid to let their right-brain woo flag fly!

### **Mind Your Business Podcast**

In a kind of spooky experiment, scientists at the Max Planck Institute for Human Cognitive and Brain Sciences reveal that our decisions are made seconds before we become aware of them. In the study, participants could freely decide if they wanted to press a button with their right or left hand. The only condition was that they had to remember when they made the decision to either use their ...
